LIVING WITH WATER

The Future of Flood Insurance in Virginia

FLOOD INSURANCE ROUNDTABLE & OPEN HOUSE

Living with Water will engage stakeholders from various agencies and industries in a guided conversation about working together to increase flood insurance coverage in Virginia. The event will include a **Roundtable Discussion from 9:30 a.m. to 3:30 p.m.** between representatives from federal, state and local government, banking, real estate and the insurance industries.

Geared towards industry professionals, this day-long event will be followed with an evening public **Open House from 6:00 p.m. to 8:00 p.m.**, where property-owners, residents and business owners will receive information and materials to learn more about flood risk and actions they can take to protect themselves and their families.

Pre-approved for 4.5 CECs for CFMs (*roundtable event only*)
